

Year 11

How to Boost Your Employability During Lockdown

EMPLOYABILITY COURSES

FREE ONLINE COURSES TO:

- Boost your employability and give you great updates for your CV.
- Help you improve your study skills in time for college.
- Support students applying for an apprenticeship for this September.

PLEASE NOTE:

- All of these are free courses. They all feature ads, so click on 'remove ads' and you'll see the content.
- Only give out the briefest of information e.g. name and email. Never give your telephone number.
- One site asks for a Date of Birth to know which school year you are in, which is fine.
- Some professional Future Learn courses offer the chance to engage with other students on their moderated portal. This is NOT recommended for year 11 students. Please do not use.
- If the specific videos here do not appeal to you, use You Tube/the main links to find ones that do.
