How to install Teams Android

1. First, you'll need to install the Teams app from the Google Play store. Go to the Google Play store and download Teams.

2. When you open the app you should see a sign in screen. Tap "Sign in."

3. In the email field, put in your school email address (username@bluecoatmeres.co.uk)then tap "Sign in."

4. Next, you'll be asked to enter your password.

5. Finally, the app may ask for permission to send notifications, access your microphone and camera, etc.

6. Once you've granted or denied the various permissions, the app will be ready to use.
