

Bluecoat Meres  
Academy  
believe in yourself, in others, in God

21 May 2020

Dear Parent/Carer

We are all very much looking forward to welcoming your child into our community and will update you with our thorough induction programme as soon as possible. In the meantime, we are sending some work for your child to complete in order to support their successful transition from primary to secondary school.

You will find enclosed a double-sided sheet with a project-based task from each subject area in the school, there is absolutely no requirement that your child completes all work set, but it would be great to see them have a go! There is no structure as to how work needs to be completed and they can be creative with each task.

Once a piece of work is completed please keep hold of it until the start of Year 7 and ask your child to hand it to their form tutor and/or subject teacher - they will receive a raffle ticket for each piece of work submitted and there will be a prize draw within the first few weeks of term for some rewards as well as Positive Points issued to start your child's learning journey!

As mentioned, further information regarding our induction programme will be released soon and we very much look forward to welcoming and meeting your child.

Yours sincerely

Stevie Thornton  
Interim Assistant Headteacher
