

What is positive wellbeing?

It is a state of overall good health in both body and mind and can include:

- ✓ **Intellectual** (cognitive stimulation such as problem solving puzzles),
- ✓ **Spiritual** (understanding sense of purpose and beyond your own existence, can be through prayer or exploration of a higher power, etc)
- ✓ **Social** (building relationships and community support through friends and family and neighbours etc.)
- ✓ **Physical** (Movement, whether in sports or walking, movement that brings joy.)

11 TOP TIPS FOR POSITIVE WELLBEING

Taking breaks from technology. It can create strain on the eyes, disrupt sleep, overstimulate your brain and normally technology is linked to a lack of movement.

Spend time outside in nature. Nature is healing, going to your local park or green space and taking a walk is a great way to destress. .

Spend time with people who support you. Social interaction and a strong network of support is important for mental health, sharing problems and building social skills

Eat fresh fruit and vegetables daily. Food helps to build and nourish your body, it provides energy and helps you when you're not feeling well. Aim for at least 5 portions daily.

Two glasses of water are shown side-by-side. The glass on the left is filled with light blue water and contains several small, light blue bubbles. The glass on the right is filled with a darker blue water and contains several larger, light blue bubbles. Both glasses are simple, cylindrical containers with black outlines.
