Dear Parent/Carer

### WHY PLAY A MUSICAL INSTRUMENT?

Making music is a great way for children to be creative and it also requires them to think quickly and express themselves. Playing a musical instrument teaches children how to manage information, and problem solve, and to be adaptable when working collaboratively with others. It is a great way to make friends and work towards a finished product like performing in the end of year concerts.

The Lincolnshire Music Service (LMS) are offering our students the following lessons:

- **strings:** violin, viola, cello, double bass, harp
- **woodwind:** flute, oboe, clarinet, bassoon, saxophone, recorder
- **brass:** trumpet, cornet, trombone, baritone, euphonium, horn (French and tenor), tuba
- **percussion:** drum kit, tuned percussion,
- **guitar:** classical, electric and bass
- **keyboard**
- **vocal/singing**

There are flexible payment plans available and discounts for free school meals students and looked after children. Lessons start from £3.10 for a 20-minute shared lesson.
