Dear Parent/Carer

YEAR 9 OPTIONS EVENING - THURSDAY 19 MAY

Our Year 9 Options Evening will take place in the academy library on Thursday 19 May from 5.00 pm - 6.00 pm.

We will be providing information regarding the options' process, and our senior leadership team and subject teachers will be available to answer any questions you might have about the subjects available to your child in year 9.

We appreciate that some parents may have been through this process before, and some may be looking at options for the first time. The evening is an important opportunity for you to gain an insight into the subjects your child will choose to learn over the next two years, and to discover more about the exciting new choices we have available.

We look forward to seeing you on the evening.

Yours faithfully

Mr Thornton
Assistant Headteacher
