

20th May 2022

Dear Parent/Carer

I hope you enjoyed the Options' Evening and found it useful in helping you and your child to make an informed decision about their options' choices. Our Options Booklet can also be found on the school website at this address: <https://www.wgacademy.org.uk/learning/option-booklet/>

Please find below a table containing the options' choices for next year. Using the booklet, please can you discuss your child's choices and then complete the table. Your son/daughter must select one choice from Option Block A, one choice from Option Block B and one choice from Option Block C. The choice in Block C must be different from the one in Block B. Please also rate the subjects in Block A from 1 to 3, with number 1 being the first choice.

We will try to ensure that your child gets the options they choose. However, this is not a guarantee, and we may have to move options choices where necessary. In this case, a member of staff from school will give you a call and explain the reasons behind the decision. Also, we have had to remove the previously run course of motor vehicle from the list of choices as it is no longer a subject that is able to be run by schools.

For those who could not attend, your child still has time to choose their options and we would ask that all Year 9 students complete the reverse of this letter and hand it back to the main academy office no later than Tuesday, 24th May 2022.

If you have any questions, please do not hesitate to contact the school.

Yours faithfully

Clare Barber
Head of Academies
