Milestones and Learning Outcomes

Year 11

Students will make informed post-16 option choices

Year 10

Students will develop a better understanding of further and higher education, as well as apprenticeships and will begin to plan their post 16 options.

Year 9

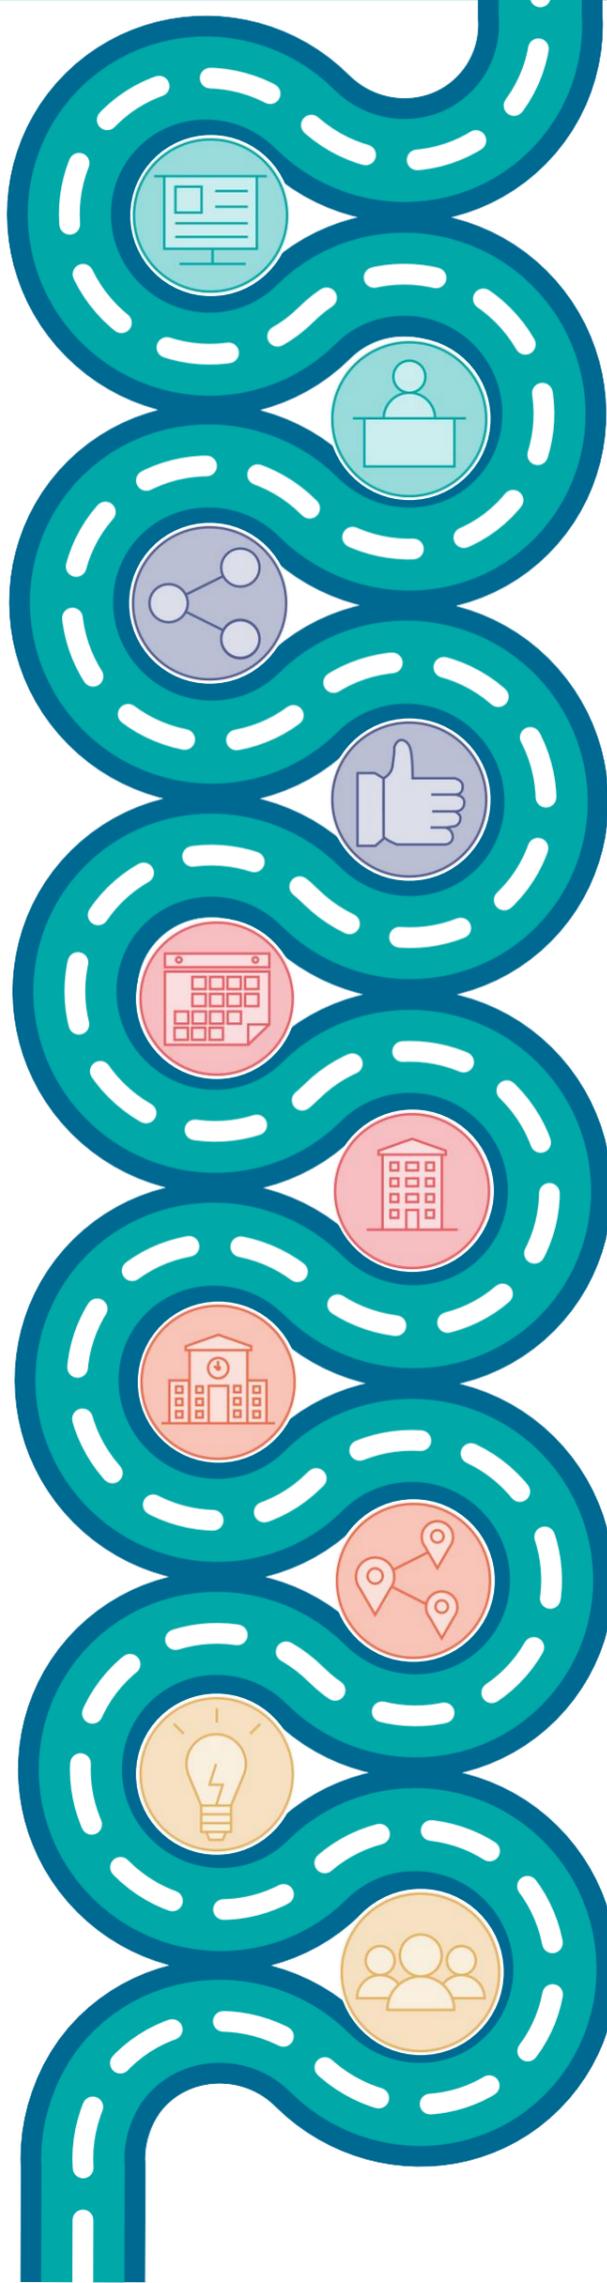

Students make informed choices about their GCSE options based on an understanding of FE and LMI.

Year 8

Students will learn about LMI and how this can inform their future options.

Year 7

Students will be able to identify their skills and strengths and apply these to their studies and the world of work
