Parent/Carer

As we approach the GCSE season, we know that some students feel anxious about the exams, how to revise and what strategies are useful to support them in their work. We also understand that this is a busy time for families as parents and carers work to support their children during this period of their schooling.

For this reason, we would like to invite you to a Year 11 'How to Revise' Evening on Thursday 9 November, starting at 4.00pm.

During this time there will be a presentation on key strategies and ways to revise, information on the best revision materials to purchase and a mock exam timetable update. We will be on hand to talk to you about any concerns you may have around exams and questions that may arise on the night.

We look forward to meeting you again and supporting you and your child through Year 11, their revision and final exams.

Yours sincerely

Clare Barber  
Principal
