PE Department Uniform

The PE Department maintain the Academy's high standards of uniform at all times. Therefore, students are required to bring the required kit to **ALL** of their Physical Education lessons.

In PE we feel that the high standard of dress impacts on the working and motivational ethos of the students. We have, this year altered our PE uniform slightly in line with new government recommendations which gives more choice. All students are expected to bring appropriate kit to all PE lessons. Pupils who fail to bring appropriate PE kit will be provided with clean garments to ensure full participation in the lesson.

We are really pleased to offer the new option of black sports leggings. Please ensure these are proper sports polyester style leggings without major markings or patterns.

Decisions on any of the above are the responsibility of the Principal, and their decision is final. Students not wearing the full Academy uniform will be isolated until the matter is resolved. Blazers must be worn at all times.

Electrical items/ valuables are not allowed on the Academy site. Mobile phones can be brought into the Academy at the students' risk but must be switched off before entering the premises and placed inside the student's bag. There are a number of sanctions given where the rules on electronic devices are not followed. The Academy takes no responsibility for lost, stolen or damaged electronic devices as they are not permitted on site.
